ULTRAFINE MERINO WOOL NO MULESING

Jacky é un filato naturale 100% Made in Italy; prezioso e sostenibile, possiede eccellenti proprietà tattili; tocco caldo ed avvolgente.

PAPI FABIO lo produce trasformando e nobilitando nei propri stabilimenti le selezionatissime lane merino ultrafine provenienti esclusivamente da allevamenti che mirano alla salvaguardia del territorio, alla riduzione dell'impatto ambientale ed alla massima attenzione al benessere dell'animale; fattorie in aree incontaminate e protette dove è tassativamente esclusa la crudele azione del **Mulesing**.

Tutto in completa trasparenza della supply chain con un sistema di tracciabilità integrata.

Noi di **PAPI FABIO** ne garantiamo stile e qualità.

Jacky is a natural yarns 100% Made in Italy; precious and sustainable, with excellent tactile properties; a warm and embracing touch.

*PAPI FABIO produces it by transforming and ennobling in its factories the highly selected ultrafine merino wools coming exclusively from farms that aim to safeguard the territory, to reduce environmental impact and to pay extreme attention to the animal welfare; farms in uncontaminated and protected areas where the cruel action of **Mulesing** is strictly excluded.*

All in complete transparency of the supply chain with an integrated traceability system.

We at PAPI FABIO guarantee its style and quality.
