ULTRAFINE MERINO WOOL RWS - NO MULESING

La valorizzazione delle Fibre Naturali è tratto distintivo di **PAPI FABIO** all’insegna della sostenibilità come emblema del nuovo lusso.

Questi preziosi filati sono realizzati con esclusive lane merino ultrafine certificate anche **RWS** e **Mulesing Free**.

RWS (Responsible Wool Standard) promosso da Textile Exchange è uno standard indipendente, il cui protocollo garantisce il completo controllo delle materie prime e certifica che la lana impiegata provenga solo da fattorie dove l’allevatore tutela sia il territorio che la salute ed il benessere degli animali; in questi ambienti protetti è tassativamente esclusa la crudele azione del Mulesing.

“**Mulesing Free**” è certificato “cradle to cradle”.

Tutto in completa trasparenza della supply chain con un sistema di tracciabilità integrato.

Noi di **PAPI FABIO** ne garantiamo lo stile e la qualità.

*The enhancement of natural fibers is the distinctive trait of **PAPI FABIO** which selects the finest wools through eco-responsible and eco-sustainable production processes.*

*These precious yarns are produced with exclusive ultrafine merino wool also **RWS** and **Mulesing Free** certified.*

***RWS** (Responsible Wool Standard) promoted by Textile Exchange is an independent standard, whose protocol guarantees complete control of raw materials and certifies that the wool used comes only from farms where the breeder protects both the territory and the health and welfare of the animals; in these protected environments the cruel action of Mulesing is strictly excluded.*

*“**Mulesing Free**” is certified "cradle to cradle".*

All this in complete transparency of the supply chain with an integrated traceability system.

*We at **PAPI FABIO** guarantee its style and quality.*
