## SUPERGEELONG MERINO WOOL RWS - NO MULESING

**Silte** dolce e protettivo e **Soul** soffice e resiliente dallo stile British sono filati naturali, preziosi e sostenibili, dalle eccellenti performance e dal tocco caldo ed avvolgente, espressione del migliore Made In Italy.

I filati sono creati negli stabilimenti di **PAPI FABIO** impiegando solo selezionate lane merino extrafine Supergeelong provenienti da allevamenti che mirano alla salvaguardia del territorio e al benessere degli animali. Le fattorie sono situate in aree incontaminate e protette dove è tassativamente vietata la crudele azione del Mulesing.

Le lane con cui è prodotto l'articolo Silte sono anche certificate RWS (Responsible Wool Standard), che garantisce la completa tracciabilità delle fibre lungo tutta la filiera, dall'allevatore al prodotto finito e fino al consumatore finale. Tutto in completa trasparenza della supply chain con un sistema di tracciabilità integrata.

Noi di **PAPI FABIO** ne garantiamo stile e qualità.

***Silte** sweet and protective and **Soul** soft and resilient with a British style are precious and sustainable, expression of the best Made In Italy with excellent performances and a warm and enveloping handfeel.*

*Those yarns are produced in **PAPI FABIO** plants, sourcing exclusively selected Supergeelong extrafine merino wool coming from farms that aim to protect the territory and the animal welfare. The farms are located in uncontaminated and protected areas, where the cruelty of Mulesing is strictly prohibited.*

*Silte is also produced with RWS certified wool (Responsible Wool Standard), which guarantees the complete traceability of the fibers along the entire supply chain: from the farmer to the final product and up to the end consumer. All in complete transparency of the supply chain with an integrated traceability system.*

*We at **PAPI FABIO** guarantee its style and quality.*
